

NiRo MG-Goodbye

Hey, listen to me, goodbye is the cruelest word that you ever said. Now, that you're gone, it's so lonely in bed. And if I see you again, I don't know what I'd say.

I'm drowning in a fountain and I am making love with him. You said that we were forever, but now you leave me, now you leave me like this. I've got to carry on, got to get on with my life.

It's hard to fake a smile when I'm broken inside. I see I'm moving on now, like I rarely go back. I'm drowning in a fountain and I am making love with him.

You said that we were forever, but now you leave me, now you leave me like this. I'm drowning in a fountain and I am making love with him. You said that we were forever, but now you leave me, now you leave me like this.

Hey, it looks so easy for you, now that I'm out of your life. I guess I'm out of your mind, now that I'm out of your sight. I'm drowning in a fountain and I am making love with him.

You said that we were forever, but now you leave me, now you leave me like this. I'm drowning in a fountain and I am making love with him. You said that we were forever, but now you leave me like this.
