

NiRo JL-Hard-To-Say-Goodbye

It's hard to think that you are really leaving, that we'll end it here as if we never tried. But we can't go on pretending and believing that the love we share is never really dying. It's too late for excuses.

This is the time. No need to go much further. When you know we're only living a lie.

Why is it so hard to say goodbye? Hard to say goodbye. We're going through the motions and yet we don't. It's so hard to say goodbye.

Now I think it's time that we tried. It's not easy knowing we're hard to say goodbye. It's so hard to say goodbye.

Now I think it's time that we tried. It's so hard to say goodbye. Now I think it's time that we tried.

It's so hard to say goodbye. It's so hard to say goodbye.
