

NiRo JB-Heart's-All-Gone

I know you're better off alone anyway Just do whatever you can, we won't be okay I know you're better off alone I know you're better off on your own Just follow your heart and it will be okay Just follow your heart and it will be okay Make your life what has been was, today don't burn it, don't get close Fuck this shit, I don't need time on my own I know you're better off alone anyway Just do whatever you can, we won't be okay I know your heart's all gone Just follow your heart and it will be okay Just follow your heart and it will be okay Heart of Goliath Heart of Goliath
