

NiRo UW-Hold-Me

I didn't think you could love me again, I looked at you, I owe you my life. Someone who's given so much love, I nearly went and threw it away. I never thought that you would be the one, and after you were gone, everything went wrong.

I can't wait to hold you in my arms, and show you all my love. You kiss me and I can't explain, you know I'll give you everything I have. Oh darling, don't feel sad, you turn my life around.

And if you're falling apart, just know I'll be there, like you were for me. Everything that you've done for me, I want you to know, I'll give you my heart. I never thought that you would be the one, and after you were gone, everything went wrong.

I can't wait to hold you in my arms, and show you all my love. You kiss me and I can't explain, you know I'll give you everything I have. Oh darling, don't feel sad, you turn my life around.

Darling, just look in my eyes, without a word you'll finally see. What this man's been trying to tell you. I'll learn all things new, I'll give you everything I have.

Oh darling, you were my heaven. I can't wait, wait to hold you in my arms, and show you all my love. You kiss me and I can't explain, you know I'll give you everything I have.

Oh darling, don't feel sad, you turn my life around. I can't wait to hold you in my arms, and show you all my love. You kiss me and I can't explain, you know I'll give you everything I have.

Oh darling, don't feel sad, you turn my life around. I can't wait to hold you in my arms, and show you all my love.
