Hey, are you ready? Come on. All right, now. Let's do it.

There's no need to rush, boy. You've got to run. It's late in the evening.

Too late for fun. If there's a chance for love tonight, you have to believe. Oh, yeah.

Need more than just a one-man show. Always get what you give. Don't play with my feelings like you play guitar.

Find out if your intentions are too far apart. Make sure what you want, because I know I want more. Don't you send my ship to the shore.

Don't you understand? Don't you understand a woman's heart? Yeah, boy. Don't you know that to a woman, loving is at heart? Oh, oh, oh, oh. Don't you understand? Don't you understand a woman's heart? Oh, oh, oh, oh.

Yeah, boy. Don't you know that to a woman, loving is at heart? Oh, oh, oh, oh. Hey.

Are you ready? Physical attraction. Open the door. Here I stand and wonder if you want more.

I'm not the kind of desperate girl that takes seconds fast. Prepare yourself to courtship if you want to pass the test. Don't play with my feelings like you play guitar.

Find out if your intentions are too far apart. Make sure what you want, because I know I want more. Don't you send my ship to the shore.
