

NiRo UW-Breakfast-In-Paris

I jump in a cab, ask a man to drive me to the airport. Made it in time, once again, I was flying abroad. Next to me, the most gorgeous girl I've ever seen.

Let's go out and find out what this city is all about. Breakfast in Paris, Paris city of love. Talking to Paris, blue sky shining above.

If that's all there is, Paris city of love. I'm happy in Paris, Paris, Paris. What started the day is a nice little conversation.

It turned out to be the most beautiful trip of the two. Look who's lying next to me, the most gorgeous girl I've ever seen. Let's go out and find out what the future is all about.
