In a perfect world, nothing will go wrong But our faults make us stand up and get strong
There's a world, so powerful yet strong Sorry seems to be the hardest word I know, creatures
are burning Don't you know, the world keeps on turning I know, creatures are burning Don't
you know, the world keeps on turning There's no right without a wrong So please help me sing
my song There's no right without a wrong I know, creatures are burning Don't you know, the
world keeps on turning I know, creatures are burning Don't you know, the world keeps on
turning There's a way that you can follow
