

NiRo UW-You`re-Lifting-Me-Up

That old twinkle in your eyes Baby, you know it's no surprise All that I feel for you Showed me a new way When I thought I'd seen the end Darling, your love has held my hand Listen now, my heart's reaching out Trying to find the words to say Thanks to you, my hope's been renewed Baby, you're lighting up my life I don't think it's ever looked so bright Cause you bring me up, my love Yeah, you bring me up, my love I can't get enough, my love How I need your spark in my life Lighting up my dark room With all that sparkle in your smile Feels like I've come a million miles Just to come home to you Always by my side You brought me through my darkest days Trusting your love as my best friend Let me say, you have shown a way How to believe in better days Thanks to you, my hope's been renewed Baby, you're lighting up my life I know it's never looked so bright Cause you bring me up, my love Yeah, you bring me up, my love I can't get enough, my love How I need your spark in my life My love Yeah, you bring me up, my love I can't get enough, my love How I need your spark in my life
