

NiRo UW-Almost-Doesn't -Count

I know for sure that we almost made it But I know that almost doesn't count So let's just try one more time I know now, something else I need I will never leave, I will never be with you I saw you, I will never bring I will never sing, I can never be in love I would never be, I could never see, I need you Almost doesn't count, I know for sure Forget what may happen, come back for more Almost doesn't count, let's give a chance Almost doesn't count I know now, something else I need I will never leave, I will never be with you I saw you, I will never bring I will never sing, I can never be in love I would never leave you Almost doesn't count, I know for sure Forget what may happen, come back for more Almost doesn't count, let's give a chance Almost doesn't count Almost doesn't count, I know for sure Forget what may happen, come back for more Almost doesn't count, let's give a chance Almost doesn't count I don't know you, something else to let me through I don't know why, I don't know why I can't live Almost doesn't count, I know for sure Forget what may happen, come back for more Almost doesn't count, let's give a chance Almost doesn't count Almost doesn't count
