

Never Fall In Love

It's over when I leave you. I'm walking out that door for good. Can't stand this voice no longer.

I'm done, I'm finally over you. I fought and lost the battle. I tried to give this love a chance.

I didn't want to leave you, but I didn't want to keep you. And I know I'll never fall in love again. No wait, no no, it's always been the same.

And no, I'll never fall in love again. Finally got the strength to tell you, finally now I'm on my way. It took so long for me to accept what was going on.

I'm glad at last I did it. I'm done, I finally found the dawn. I fought and lost the battle.

I tried to give this love a chance. I didn't want to leave you, but I didn't want to keep you. And I know I'll never fall in love again.

No wait, no no, it's always been the same. And no, I'll never fall in love again.
