Someone to believe in, no one, no can say. Like heaven in Norway, someone to believe. Tell me what's falling to the crowd.

Tell me what can I do. Give me some proper wings to fly with you. I don't wanna know, I don't wanna go.

Don't wanna fight, I know what's right in my life. I don't wanna know, I don't wanna go. You're in my life, the treasure lingers on.

So hold on, no one left to be loved. Someone to hold, I was given no choice. Except the cause of my voice.

So hold on, no one left to be loved. Someone to hold, I was given no choice. Except the cause of my voice.

So far in the distance, I can see the colors of my voice, like a rainbow. I don't wanna know, I don't wanna go. Don't wanna fight, I know what's right in my life.

I don't wanna know, I don't wanna go. You're in my life, the treasure lingers on. So hold on, no one left to be loved.

Someone to hold, I want to love her for life. The colors of my voice.
