

NiRo JB-Falling-Apart

Home is where your heart is, but you ain't got no heart. So tell me, where the hell are you going? Where nothing falls apart. Spawning, waking, perfect, dull, not much to oppose.

Home and family, never had a doubt. You are a perfect soul, and nothing stays undone. What you did, I can't get over it.

Home is where your heart is, but you ain't got no heart. So tell me, where the hell are you going? Where nothing falls apart. Where nothing falls apart.

I know you're not the only one that's fucked you again. All because of you, I was in despair. Well, I don't give a fuck.

I hate you all the same. But, as hell, never call my name again and again. Home is where your heart is, but you ain't got no heart.

So tell me, where the hell are you going? Where nothing falls apart. Where nothing falls apart. We all want to help one another.

Human beings are like that. We want to live by each other's happiness, not by each other's misery. We don't want to hate or despise one another.

This world has room for everyone. The good earth is rich and can provide for everyone. The way of life can be free and beautiful.

But we have lost the way. Greed has poisoned our souls. It has barricaded the world with hate.

We think too much and feel too little. More than machinery, we need humanity. More than cleverness, we need kindness and gentleness.

Without these qualities, life will be violent and all will be lost.
